

Sign up to be registered into the GHIN Handicap System!

**Only \$15.00 to join!
Free for 7 Day Members!**

GHIN (Golf Handicap Information Network) is a service through the USGA that provides you with your golf handicap index number. Your handicap index is used to calculate your course handicap so you know how many strokes you can take, and on which holes, during a round.

Listed below are a few of the many reasons having a GHIN handicap is beneficial

- Easy to keep record of scores
- Able to play in handicap events
- Set goals for yourself
- Make games fun & fair for everyone
- Every golf course is different
- High scores are forgotten!

Name: _____
